"My full-time "hobby" turned into a thriving practice."

"Before [Thrive], I struggled for years to get more than 8-10 clients a week and earn more than \$40,000 a year.

...Even before the program was over, my client load jumped to over 25 a week. I was soon booked 2-3 weeks in advance! Each year since Mastery, I have made over six figures in my business and regularly have over \$10,000 months with my best month hitting over \$15,000."

Our \$16,000 Get Clients Guarantee

If you fully work the program for 8 months and you haven't earned at least \$16,000 in new client sales, we will give you 4 free extra months in Client Attraction Mastery.

If you still haven't earned \$16,000 after 12 months of working the program, we'll give you your money back.

That being said, we know you can do much better than \$16,000!

Imagine it's 8 months from now and your investment in Client Attraction Mastery seems small compared to the confidence and money that has poured in.

Our Confession

In the past, when people who seemed unlikely to succeed signed up for this program, we would feel nervous that they would fail...especially if they shared about difficult life circumstances. At times, we considered talking them out of joining this program.

Fortunately, we've been proven wrong more times than we can count. We've watched as some of our least confident members transformed themselves and made a name for themselves (and a great living).

So much so, that we no longer doubt anyone's potential. We believe that anyone can be successful, including you!

If you're not confident, borrow ours, until your confidence comes rushing back in like an old friend.

"I went from earning \$500 a month... to \$10,000+ months!"

"Before working with Jesse and Sharla, I was only making \$500 a month in my practice. The first month after the Summit, I made \$2,500 and then \$8000 a month within eight months! At month nine, magic happened...I hit my first of many \$10,000+ months and now I have a six-figure business.

The biggest breakthrough that allowed that success to happen for me was the support of the community and mastering Heartselling from Client Attraction Mastery. All of this has allowed me the freedom to travel and even made my relationship better because Heartselling isn't just for attracting clients.

Joining Thrive Academy was one of the best decisions of my life! The community, the people, and the leaders are so amazing—so heartfelt, which allowed me to go at my own pace to reach my goals. I am forever grateful."

—Sarah Lantimo, Hypnotherapist

"During the Challenge...I made over \$23,000!"

"Before working with Jesse and Sharla, I was doing 2 healing sessions a week. I felt like I was wasting my gifts and I was dipping into family funds to keep my practice going.

During the Challenge of Client Attraction Mastery, I made over \$23,000! And I have sold over \$16,000 in the 3 weeks since then! I can't adequately express how excited and almost giddy I was...This is such great fun!

My clients are reaching new heights of health and JOY, as they layer the healings' momentum, by having sessions weekly, instead of "whenever."

—Jacqui Simpson, Energy Healer
