Sharla Jacobs has taught their famous Heartselling™ System to over 150,000 coaches, holistic practitioners, and transformational leaders in the last 21 years.

She and her husband and business partner, Jesse Koren, are the co-founders of Thrive Academy, where their members have earned a collective $500 million plus.

Many of today's transformational leaders, including Sage Lavine, Mellissa Seaman, Rose Cole, Penelope Jane Smith, Sean Douglas Stewart, and Dr. Aumatma Simmons had their first $10,000-month while working with Sharla and Jesse.

Stephen Dinan, the founder of The Shift Network, called Thrive Academy "*the #1 source for turning coaches and holistic practitioners into 6-figure transformational leaders.*" Prominent entrepreneur Eben Pagan says they are "*the leading authorities in holistic business training.*"

Thrive Academy helps coaches and holistic practitioners attract and enroll more clients using magical tools, templates, and training that make it predictable to get to $10,000-$30,000 months.
