## Making the Best Choice for You.

**CLIENT ATTRACTION MASTERY** is for you if you're ready to master the art of attracting loads of high-paying clients and getting referrals so that you never have to worry about money again.

It's for you if you recognize that your ability to attract clients can make or break your business. It's for you if you want more people to say YES to you. And if you want the ability to move anywhere and within 90 days have a full schedule of high-paying clients.

Many Client Attraction Mastery Members had their first \$10,000-plus month during the program when their former "hobby" became a "real business."

**THRIVE ACADEMY PLATINUM** is for you if you have a bigger vision than working with clients 1-on-1 and trading time for dollars for the rest of your life.

Platinum is for you if you want to take the ceiling off of your incomes by inspiring groups of people. It's for you if you want to create a group program that gives your clients more value (in fewer hours) so you don't burn out. And it's for you if you want to step more fully into your place as a transformational leader.

Many Platinum Members have created a healthy 6-Figure income and some of our Platinum Members have gone on to make 7 Figures.

Thrive Academy Platinum includes our 4 Core Programs: Client Attraction Mastery, Get Leverage, Six Figure Speaker, and the Transformational Leadership Certification Program.
